

Body Guard Course (Qld)

Under the Security Providers Act 1993, security firms and people who are employed in the security industry such as security officers, crowd controllers, bodyguards, private investigators, security advisers and security equipment installers must be licensed to work in Queensland. In order to qualify for a Body Guard licence from 1 July 2008, you must have completed the following units of competency listed below and been assessed as competent by a registered training provider.

BARS Training Australia (National Provider 32061) now offers this course with a flexible delivery strategy that is not only tailored to our client needs but are realistic, industry based and the most practical available.
