

I.D CONFISCATION BOOKLETS

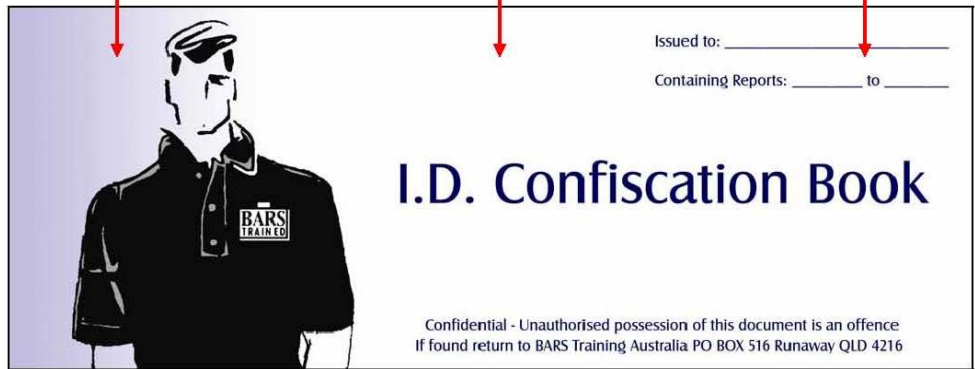

Thousands of fake identification documents are confiscated each year in Queensland. The recording and subsequent management of these documents is becoming more important.

BARS Confiscation Booklets makes this onerous task easy – the tear off shaded section is handed to the presenter of the I.D confiscated as a receipt, the completed white copy forward to the LLD with the confiscated document, whilst the carbonated duplicate remains in the booklet for your records.

Pocket size booklet – no more leaving the door to complete.
